‘Along the coast you see
the most beautiful sea’

Hendrik Willem Mesdag

café
1881

Welcome to Café 1881. The Mesdag couple has been our inspiration. Their love for the beauty of nature and the sea are exciting starting points for all our culinary choices. Because we aim to preserve the beauty of nature, we consciously choose to prepare vegetarian and vegan dishes.

1881 is a special year. This was the year that the panorama was painted and the year the museum opened its doors.
